Susquehanna River Region 2-1-1 Launches New Responsive Website

Susquehanna River Region 2-1-1 provides a comprehensive information service that is designed to assist all segments of the general population to more easily access health and human services and volunteer opportunities.

Corning, NY – July 20, 2015

Susquehanna River Region 2-1-1 of Binghamton, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look as well as a responsive design. The new search feature allows users to locate health and human services by county, city or zip code. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing for easy updates to all the content of the website.

About Susquehanna River Region 2-1-1

Susquehanna River Region 2-1-1 manages a database of community resources consisting of health and human service providers, non-profits, educational programs, support groups, and local, city and county services for a five-county area.
