

## Area Tool & Manufacturing, Inc. Launches New Website Design

*Area Tool supplies industries, large and small, with top quality source for their precision tooling needs. The employees and management of Area Tool are a close knit TEAM working towards a common goal of producing top quality tools and assuring each customer that their jobs will be manufactured in the United States of America, with pride and integrity.*

Corning, NY – July 6, 2015

Area Tool & Manufacturing, Inc. of Meadville, PA has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The new website features a contemporary design, changes to the navigation, and enhanced graphics. The redesign will help users to easily find information about the capabilities of Area Tool. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing Area Tool to update all the content of their website. As part of the project a mobile version of the website was also launched providing users with a mobile-friendly experience.
