

EDC Management, Inc. Launches New Responsive Website

EDC Management, Inc. founded as a real estate management and development firm in 1969, has been primarily engaged in residential and commercial management since that time with a secondary emphasis on consulting and development.

Corning, NY – January 5, 2016

EDC Management, Inc. of Corning, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of a Content Management System, allowing for easy updates to all the content on their website.
