

The Institute for Human Services, Inc. Launches Redesigned Responsive Website

The Institute for Human Services will serve as a model for excellence in nonprofit management and will be recognized by planners, funders, and providers as the first point of contact for nonprofit management solutions in the Southern Tier.

Corning, NY – January 12, 2015

The Institute for Human Services, Inc. of Bath, NY has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing Flow Safe to update all the content of their website.
