

## Williamsport Regional Airport Launches New Responsive Website

*The Williamsport Regional Airport is publicly owned and operated by the Williamsport Municipal Airport Authority. Daily airline service is provided by American Airlines to their Philadelphia International Airport hub.*

Corning, NY – August 14, 2015

Williamsport Regional Airport of Montoursville, PA has launched a new website designed by creative [web design firm](#), inCommand Technologies.

The website features an updated, modern look, integration with FlightView's real-time flight tracker, as well as a responsive design. Responsive web design (RWD) is a web design methodology that allows websites to be created for an optimal browsing experience whether the user is on a desktop computer, tablet or smartphone. A major aspect of the new site is the use of inCommand Technologies' Content Management System, allowing Endeavor Toner to update all the content of their website.

### **About Williamsport Regional Airport**

Williamsport Regional Airport is a full service commercial aviation service facility serving north central Pennsylvania since 1929. Through their partner US Airways / American Airlines, they provide one-stop service to over 160 cities worldwide.
